ST. JOHN’S – Cornerstone THE BAILEYS AND ARNOLDS

13 Rickett’s Road, Box 26054
St. John’s NL A1E 0A5

Cornerstone Ministry Centre (CMC) is a church with a mission. Its motto is “A heart for the city in the heart of the city.”

From its beginning in 1987 on Water Street, to its current location next to Buckmaster Circle housing area, CMC has been recognized as a safe place and gospel presence in the downtown of St. John’s for over 30 years. Its purpose is to be a “third space” for the surrounding people and in doing so, build the relationships necessary for evangelism and discipleship.

The Baileys began ministry at CMC in October 2019 and Kelsey just over a year later in December 2020. Together they lead and serve a congregation that is passionate about loving and blessing their neighbors. With a strong outreach/mission focus, CMC continues to operate CoffeeHouse and Supperbowl, two ministries that have long served the community and continue to do so with great success. In 2024, a mental health support group was launched and the church is excited to be a gospel presence in this way.

Through great community partnerships, CMC is home to like-minded community groups like Strong Harbour Strings, Narcotics Anonymous and the neighbouring community center programs. CMC also has a presence at Her Majesty’s Penitentiary to provide pastoral care, and The Gathering Place which like CMC, provides essential services to those in need.

Cornerstone is blessed to have you in their corner and grateful for your continued support!

Kelsey Arnold
